

Christmas 2006

Dear Board Members of CHP, Dear Friends, Ambassadors and Supporters, Dear all,

I join myself to my parishioners and all the entire community of Petit trou de Nippes to embrace you and to thank you. We take the opportunity to wish all of you in Christ precious name: "Merry Christmas".

Award how big and tremendous all you have accomplished, being not able to pay you back for many changes, transformations you bring in our lives, we believe that it is right, good and important to appreciate your help, your love and your kind compassion to us.

There is almost a decade since Christmas is no longer celebrated in Haiti. The Christmas doors are tightly closed to the Haitian children.

Again, this year after the recent Noel's hurricane which devastated all the people's assets in the different poor area in Haiti, especially in Petit trou de Nippes, where the great river de Nippes keep people isolated, far out from the rest of the country. For those persons, we are committed to serve and share Christ's love, Christmas announce itself for them badly. No hope. Their problems are intensified, amplified and more crucial.

That's why, we would like to encourage more people to let their heart speaking and act quickly through CHP to answer the needs of people in situation.

May the Christmas season be the occasion to look around us the needy ones specially the most affected ones in the world.

Once again, Merry Christmas and a happy and blessed and new year in Jesus Christ Redeemer.

Peace & Love
