

Bishops O'Neill & Winterrowd,
Dear board members of CHP Colorado Hati Project
Beloved brothers, sisters, friends, church members in the
Episcopal diocese of Colorado and all our
supporters,

On behalf of the people in "Petit Trou de Nippes", and
the Diocese of Haiti, I thank you from the deepest
bottom of my heart. I can never be grateful to you for
such expression of love, friendship and compassion you showed to us in
Haiti. It has been a long time since the people of
Haiti are struggling for their survival. What they
have is only their faith and hope in the One and
Triune God. The brotherly love, prayers, support and
encouragement help us carrying on this hope in daily
struggle.

We laudly praise God who sends you to rescue many of
these abandon children by providing them access to
education, healthcare, potable water and food and
allow them to have some hope for their future. Because of
this good news that you bring to those children, their
eyes are open, their smiles are big and their faces
happier.

We pray the Almighty to give you strength and courage
in all the activities undertaking to make a difference
in the lives of the those children of God living in
the margin of the society; especially for this school
construction project that we have for the beginning of
the year.

Although we are separated by an enormously long
distance, I would work to keep alive the bond of love
that we share. May the fundraising participants, the churches
representatives be wrapped by the grace and mercy of
God and the guidance of the Holy Spirit so that the
outcome be a faithful testimony to the love of God of
all his children.

May the love and affection that you share with the
poorest and the needy return to you in abundance.

I wish you and your families a very merry christmas
and a blessed new year.

In his love,

The Ven. kesner GRACIA+
Archdeacon for South,Nippes and Grand Anse of Haiti.
